

The Woodstream Christian Academy (WCA) Fundraising Campaigns, directly underwrite the education of WCA students. Tuition covers approximately 70 percent of the cost of educating our students. Therefore, we need your gifts and fundraising efforts to assist in bridging the gap between the tuition revenues and total operating costs. Your gifts support the rent, laboratory equipment, curriculum enhancement, educational materials, library books, campus facilities, athletics, technology, faculty salaries and benefits, general expenses, and more. Your contributions to the Woodstream Christian Academy Fundraising Campaigns help make possible the outstanding educational opportunities that are part of each student's WCA experience, and give WCA a critical edge in continuing to provide an exemplary classical Christian education. We are proud of our program and with your financial assistance and prayers we can continue to improve.

Our goal is to have 100% participation in our fundraising activities by our WCA families, faculty and staff. We appreciate your participation, i.e., your cash donations of \$10, \$25, \$50, and \$100 or more! So please send your tax deductible contributions to the **WCA** annual fund today! We also ask that you continue to participate in our periodic fundraising efforts! In addition, please consider purchasing a Legacy Plaque nameplate, enroll in Giant Bonus Bucks, and participate in the upcoming Family Fun Festival.

Listed below are some projects that your donations will help to fund.
