Introduction

Thank you for your interest in the Woodstream Christian Academy Early Childhood Education Program. Our team of educators is passionate about the development of the “whole child”. We are committed to providing a Christ-centered and enriching environment that integrates technology, educational research, and age-appropriate teaching strategies.

Your child’s education is one of your most important investments. We are honored that you are prayerfully considering placing your precious little one in our care. We look forward to a partnership with you that, by God’s grace, will serve as a vital step towards laying a solid foundation for your child’s academic success.
